Local Transport Today

TransportXtra.com/LTT

Covering the UK's
transport policy,
planning and delivery

MEDIA INFORMATION 2023

Local Transport Today is the only print and online magazine where you can get your messages heard by the key decision makers.

Every fortnight, **Local Transport Today** provides its readers with a compelling mix of news and analysis from this fast-moving sector.

POLICY, PLANNING, FINANCE and DEVELOPMENT are the key editorial themes in the fortnightly journal that – **after 30 years** – remains **the** pre-eminent source of high quality and up-to-the-minute news, comment and essential analysis for anyone with an interest in UK transport policy and practice

Local Transport Today's detailed analysis as the 'journal of record' of every aspect of the UK's transport policy and planning scene has enabled it to build up an enviable profile of over **20,000 key figures** within this sector *plus* 20,000 more online.

Whilst there have been other magazines that have tried to tackle transport policy within the UK, **Local Transport Today** is now the only print and online magazine of choice, and remains the premium option for readers and advertisers alike. **Advertising with us works** and our rates reflect excellent value for money as our readership captures a complete circle of influence.

To maximise the impact of your advertising campaign please call today to discuss how **Local Transport Today** can get your message to the market in the most effective way. We use a consultative approach to planning your campaign to achieve excellent results within your budget.

C4ST
C4ST is independent, clear-eyed, and practical. We provide you with the analysis, evidence, advice and the support you require at the point where key elements of modern transport meet – energy efficiency, vehicle emissions, “mobility as a service”, shared mobility services and demand reduction.
C4ST is led by two very experienced transport professionals who often work together but take separate commissions around their special interests.
